ROCKFALL, CONNECTICUT

## OUR PLAN OF DOING BUSINESS

**Remittance.** Make Bank Draft or Money Order payable to The Rockfall Nursery Company.

**Shipping.** We will ship large orders C. O. D., providing 25 per cent of the total amount of your order is sent in cash. If the order is shipped by EXPRESS, you pay the balance to your EXPRESS AGENT upon delivery of goods.

If the order goes by FREIGHT, you pay the balance at your BANK, where you will also find the bill of lading, which you present to your Freight Agent who will deliver shipment to you.

**PARCEL POST.** We cannot ship by Parcel Post any trees larger than 3 to 4 feet in height. We recommend that strawberries be ordered shipped by Parcel Post; large orders by Express. Be sure to include postage in your remittance, which can be estimated as follows in First and Second Zones:

**No Charge less than 5 cts.**

**Asparagus**, 2-yr., 20 cts. per 100; 3-yr., 30 cts. per 100.

**Roses, Perennials, Berry Bushes** (except Strawberries,) first plant, 5 cts.; each additional plant, 1 ct.

**Strawberries**, before May, 8 cts. per 100 or fraction thereof; after May, 10 cts. per 100 or fraction thereof.

**Shrubs and Small Trees** not exceeding 3 to 4 ft. in height, 5 cts. for first specimen; 1 ct. for each additional specimen.

---

**Transportation Rules.** Our goods are sold F. O. B. cars at point of shipment and travel at purchasers risk and expense. We do not guarantee safe delivery. The ownership of all goods sold by us passes to the purchaser after delivery by us to the carrier, and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent of the transportation company at the point of delivery.

Claims, if any, must be made upon receipt of goods, when they will be carefully and cheerfully examined, and, if just, satisfactory adjustments will be made with purchaser. Claims made after five days from receipt of goods will not be entertained.

**Non-Warranty.** (1) If any nursery stock shall prove untrue to the label under which it is sold, provided notice and proper proof thereof are furnished by the purchaser to the seller, the seller shall, at the option of the purchaser, either refill the mis-labeled portion of the order, by another delivery of stock, or refund the purchase price; but in any cases, we are not to be held responsible for a sum greater than the original selling price of such stock. (2) All sales or agreements of sale are made subject to shortage of nursery stock, fire, frost, floods, drought, or other causes beyond the control of seller.

**We Cannot Replace Stock Gratis.** These prices do not include any guarantee of growth. We guarantee our stock to be in first-class condition when delivered to our railroad station, but as we have no control of the stock after it leaves our hands, we cannot be responsible for it. Remember a tree, shrub, or plant is a living organism, as much as a cow, horse, or man. It breathes, drinks, and feeds, and is liable to attacks of diseases and insects.

**Inspection.** Our Nurseries have been thoroughly inspected and found free from San Jose scale and other injudicious insects or diseases. Certificates accompany shipments.

**Application of Rates.** Customers may select 5 of any particular variety at 10 rates, 50 at 100 rates, or 500 at 1000 rates.

**Size or Orders.** Owing to high costs incident to the handling of orders, we cannot accept orders amounting to less than \$2.50.

**Grades.** We grade primarily by caliper, height being only approximate. This places many of our trees in the grade which might be sold as "first-grade" by those who grade by height. We consider that good stock, well graded by caliper, will give more general satisfaction, year after year, than when graded by height.
